## CERTIFIED ORGANIC SELF TAN & SKINCARE

---

Zuii Organic has embraced the essence of nature to create an innovative range of Certified Organic and Vegan Self Tan and Skin Care products. We have incorporated functional actives, minerals and plant extracts into each of our products to improve, nourish and hydrate the skin.

Certified Organic Bamboo Juice is one of our key Zuii signature ingredients chosen primarily for its sustainability and environmental promise. Bamboo is the fastest growing and strongest botanical resource on the planet. Combining this ingredient with nutrient and vitamin enriched plant-based ingredients such as Lichen, Moss and Fern has led us to create an invigorating, moisture rich product range.

Our mission when developing this range was to ensure all of the ingredients were the most natural, sustainable and Organic available. To be able to bring the love of life, nature and organics into our products without jeopardizing the environment was a dream comes true for the Zuii family.

- Moisturising
- Hydrating
- Lightly Scented
- Mineral Enriched
- Anti-Ageing
- Rejuvenating
- Vegan
- Firming/Lifting
- Reduces Fine Lines
- Collagen Boosting
- Non Comedogenic
- Ultimate Natural Tan

## Certified Organic Flora Self Tanning Foam

---

**Zuii Certified Organic Flora Self Tanning Foam** ensures an instant sunless tan. Experience ultimate bronzed colour, while nourishing ingredients add a glow to your skin. Available in 4 shades, this unique formulation contains Organic Bamboo Juice, Raw Cacao and Grape Skin Extract to allow your skin to feel continually hydrated. This lightweight foam is easy to apply and glides effortlessly onto the body, delivering a natural, golden tan for 7-10 days.

### Directions:

Before applying **Zuii Self Tanning Foam**, use the **Zuii Exfoliating Mitt** to ensure your skin is clean and free from any moisturisers. Pump **Zuii Self Tanning Foam** onto **Zuii Applicator Mitt** to avoid staining hands, then smooth over legs, arms and body with long sweeping motions. Use the remaining product on the mitt for the face, elbows and knees. Skin may be washed after 4 hours. For a longer lasting darker tan, leave for up to 6 hours before washing. Wash hands directly after use.

### Features:

- Natural Looking Tan
- Hydrating
- Moisturising
- Mineral Enriched
- Unscented

## Certified Organic Flora Gradual Face Tan Lotion

---

Transform your face with [Zuii Certified Organic Flora Gradual Tan Face Lotion](#). This innovative formulation not only offers a beautiful natural gradual glow to your face, it also hydrates and helps boost collagen. We have used a unique combination of ingredients such as Lichen, Moss and Fern Extract to help boost the hydration and elasticity of the skin. Bulbine Frutescens Leaf Juice is our key power plant extract used to boost collagen levels and lift the skin.

### Directions:

[Zuii Certified Organic Flora Gradual Tan Face Lotion](#) can be used in place of a daily moisturiser, making it perfect for keeping your skin hydrated. Pump a small amount of [Gradual Tan Face Lotion](#) onto a glove or the [Zuii Applicator Mitt](#) and massage over the face and neck in circular motions. Wash hands directly after use. Product is colourless but contains active tan ingredients which may stain your hands.

### Features:

- Anti-Ageing
- Rejuvenating
- Firming/Lifting
- Powder Finish – Not Oily
- Reduces Fine Lines and Wrinkles
- Collagen Boosting

## Certified Organic Flora Gradual Body Tan Lotion

---

Zuii Certified Organic Flora Gradual Tan Body Lotion allows you to gradually increase the colour of your skin and add a radiant glow. A unique combination of Organic Bamboo Juice, Raw Cacao, Shea Butter and Sunflower Oil will leave your skin feeling naturally soft and hydrated. The lotion is lightly scented with fresh Citrus, Vanilla and Bergamot.

### Directions:

Zuii Certified Organic Flora Gradual Tan Body Lotion can be used in place of a daily regular moisturiser making it perfect to keep your skin hydrated. Prepare the skin by using the Zuii Exfoliating Mitt and Zuii Hydrating Body Polish. Pump small amount of Gradual Tan Body Lotion onto Zuii Applicator Mitt or glove, smooth and massage over the skin. Use sparingly on the knees, elbows and ankles. Product is colourless but contains active tan ingredients which may stain your hands. Wash hands directly after use.

### Features:

- Moisturising
- Hydrating
- Natural Colour
- Lightly Scented
- Mineral Enriched

## Certified Organic Flora Gradual Face Tan Water

---

Zuii Certified Organic Flora Gradual Face Tan Water is a lightweight gel formulation that delivers a natural looking tan and glow without clogging your pores. We use a unique combination of Lichen, Moss and Fern Extracts to help boost the hydration and elasticity of the skin. By combining Cucumber and Witch Hazel Extracts, we have been able to ensure this product feels as light as its name - water. Our power plant extract Bulbine Frutescens Leaf Juice is also included to help boost collagen levels and lift the skin.

### Directions:

Zuii Certified Organic Flora Gradual Face Tan Water can be applied daily. Pump a small amount of Face Tan Water onto the fingertips or a cotton bud and massage into the face and neck in circular motion. Rinse hands directly after application. Product is colourless but contains active tan ingredients which may stain your hands.

### Features:

- Non-greasy
- Hydrating
- Lightly Scented
- Rejuvenating
- Moisturising
- Mineral Enriched
- Non-comedogenic
- Collagen Boosting

## Certified Organic Flora Dry Oil Tan Extender

---

Extend and hydrate your natural tan by using our **Zuii Certified Organic Flora Dry Oil Tan Extender**. We use a blend of Almond, Sunflower and Camellia Seed Oil to give your skin a hydrated, smooth finish. Bamboo Extract will ensure the vitamins and minerals are absorbed by your skin.

### Directions:

**Zuii Certified Organic Flora Dry Oil Tan Extender** can be used on a daily basis to enhance the longevity and colour of your tan. Lightly mist **Dry Oil Tan Extender** onto the skin and massage in circular motions. Product is colourless but contains active tan ingredients which may stain your hands.

### Feature:

- Non-greasy
- Hydrating
- Moisturising
- Mineral Enriched

## Certified Organic Flora Luminising Crème

---

Enhance your natural tan by applying [Zuii Certified Organic Flora Luminising Crème](#). Formulated using Bamboo Juice, Green Tea and Chamomile Extract, this smooth crème will not feel oily on the skin and will leave you with a subtle luminescent glow.

### Directions:

[Zuii Certified Organic Flora Luminising Crème](#) can be used on a daily basis. Pump a small amount on your fingertips and gently massage onto the body.

### Features:

- Mineral Enriched
- Hydrating
- Velvet Finish
- Moisturising
- Non-greasy
- Lightly Scented

### Certified Organic Flora **Powder Contour Bronzer**

---

**Zuii Certified Organic Flora Powder Contour Bronzer** in JUPITER creates definition, enhances your tan and adds radiance to your complexion.

We use Rose, Jasmine and Chamomile Flowers to ensure this product has the lightweight feel of flowers and will not clog your pores. Create buildable coverage with a matte finish, while Witch Hazel and Green Tea Extract nourish your skin.

## Certified Organic Flora Moisturising Body Wash

---

Zuii Certified Organic Flora Moisturising Body Wash is 100% soap free, formulated with unique ingredients to help nurture your skin. The wash contains Bamboo, Green Tea and Chamomile to deliver moisture and hydration as you cleanse, leaving your skin feeling rejuvenated, soft and smooth. We use a natural blend of Citrus and Vanilla to give this product a subtle, fresh scent.

### Directions:

Pump a small amount of Certified Organic Flora Moisturising Body Wash into the palm of your hands and smooth over the body. Massage using the Zuii Cotton Polishing Mitt to create a lather on the skin. Rinse and gently pat dry.

### Features:

- Mineral Enriched
- Hydrating
- Lightly Scented
- Soap-Free
- Refreshing
- Moisturising

## Certified Organic Flora Hydrating Body Polish

---

Invigorate and stimulate your skin with our [Zuii Certified Organic Flora Hydrating Body Polish](#). Himalayan Salt and Bamboo Stem will exfoliate while Bamboo Extract will provide a nutrient rich replenishment to your skin. You'll be left with a silky soft hydrated finish.

### Directions:

Use once or twice a week. Apply a small amount of Zuii Organic Flora Body Polish to the [Zuii Exfoliating Mitt](#) or [Cotton Polish Mitt](#), massage dry or wet skin using circular motion. Rinse thoroughly and pat dry.

### Features:

- Mineral Enriched
- Moisturising
- Hydrating
- Refreshing
- Lightly Scented

## Zuii Tan Applicator Mitt

---

Zuii recommends using the [Zuii Tan Applicator Mitt](#) to apply our tanning range. This must-have item will guarantee perfect, streak-free results and stain-free hands every time.

For optimal results, apply [Zuii Self Tanning Foam](#) as directed and blend using the [Tan Applicator Mitt](#). After each use, gently hand wash with mild detergent. Dry away from direct heat.

## Zuii Tan Exfoliating Mitt

---

Zuii recommends using the [Zuii Tan Exfoliating Mitt](#) prior to the application of our tanning range to ensure long-lasting, natural-looking results.

Apply a small amount of [Zuii Moisturising Body Polish](#) onto the [Exfoliating Mitt](#) while in the shower and rub over the body in circular massage movements. Rinse after use and hang to dry.

## Zuii Organic Cotton Polishing Mitt

---

Zuii recommends using the [Zuii Organic Cotton Polishing Mitt](#) prior to the application of our tanning range to ensure long-lasting, natural-looking results. This unique product contains fine copper threads which stimulate and promote the production of collagen. This mitt will greatly improve the skin's texture and circulation, resulting in a radiant, healthy glow and the reduction of cellulite.

Apply a small amount of [Zuii Moisturising Body Wash](#) onto the [Polishing Mitt](#) in the shower and rub over the body in circular massage movements. Rinse after use and hang to dry.

## WHY ORGANIC?

---

Consumers are becoming increasingly aware of the chemicals and toxic effects of ingredients in cosmetics, and are looking for alternatives. **Zuii Organic** is more than 'mineral' or 'natural' - our complete product range is Certified Organic. Our products are accredited by Australian and global certifying bodies including NASSA and BDIH /COSMOS. These companies undertake stringent yearly audits to confirm all regulations of Organic Standards are met and maintained. We as a company are inspired by nature, unlike many mineral or uncertified products. At **Zuii Organic**, all products and ingredients meet the global organic certification standards.

**Zuii Organic's** extensive product testing, research and development allows you to experience unique professional products that do not contain harsh chemicals. The ingredients in our products are selected specifically to nourish, moisturise and protect your skin. At the same time, our pigments and colours are vibrant, even though no fillers such as talc are used. You will be delighted with the performance, soft texture, staying power and extensive colour variety of our range.

## Our Commitment

Our commitment to you is that you will **NOT** find any of the ingredients below in our products:

- Petrochemicals or any other synthetic substances
- Products of animal origins or tested on animals
- Sodium Laureth Sulphate
- Genetically modified ingredients
- Ingredients of nano particles
- Parabens
- Talc

## ZUII CERTIFIED ORGANIC INGREDIENTS

---

### **Rosa Damascena (Rose) Buds**

Rose Buds are high in Vitamin C and are renowned for treating scar tissue, acne, psoriasis, eczema, blemishes and hyper pigmentation. This ingredient tones and soothes the skin and acts as natural moisture barrier to protect the skin against premature aging.

### **Jasminum Officinale (Jasmine) Bud**

Jasmine Buds increase the skin's elasticity and help to balance the skin's moisture levels.

### **Chamomilla Recutita (Matricaria) Flower (Chamomile)**

Chamomile is one of the oldest known medicinal plants. It's used for its calming, healing and anti-inflammatory properties.

### **Aloe Barbadensis (Aloe Vera)**

Aloe Vera is a wild plant of the Lilly family used for centuries as a healing agent and beauty aid. Aloe Vera Gel contains Vitamins B1, B2 and B6, calcium and potassium, and is known for its hydrating and soothing properties.

### **Pelargonium Graveolens (Geranium) Flower Oil**

Geranium Flower Oil has a scent that is similar to roses. It cleanses and tones the skin and normalises the secretion of sebum, thus helping to control acne and reduce inflammation. It is also useful for dry eczema.

## ZUII CERTIFIED ORGANIC INGREDIENTS

---

### **Simmondsia Chinensis (Jojoba) Seed Oil**

Extracted from the seeds of a desert shrub, Jojoba Seed Oil is an emollient, meaning it will soften and smooth the skin. It has excellent spreading and lubricating properties.

### **Ricinus Communis (Castor) Seed Oil**

Castor Seed Oil is a vegetable-based oil that contains a unique and beneficial blend of triglycerides and fatty acids.

### **Helianthus Annuus (Sunflower) Oil**

Sunflower Oil is rich in Vitamins A and E in addition to fatty acids. It contains beta carotene - one of the richest antioxidants to protect collagen and elastin. The oil will moisturise and protect skin from moisture loss.

### **Rose Damascena (Rose) Flower Oil**

Rose Flower Oil is rich in natural Vitamin C, which will moisturise, firm and hydrate the skin. It also contains a high volume of Retinoin and essential fatty acids, clinically proven to reduce fine lines and improve skin condition.

### **Cymbopogon Martini (Palmarosa) Oil**

Palmarosa Oil is beneficial for problem skin such as acne. It has the effect of balancing the production of skin sebum (oil) while stimulating the regeneration of the skin cells. regeneration of the skin cells.

## ZUII CERTIFIED ORGANIC INGREDIENTS

---

### **Aurantium Bergamia (Bergamot) Fruit Oil**

Bergamot Fruit Oil has antibacterial properties that remove toxins and impurities from the skin. It also balances oily skin, improves skin tone and reduces the appearance of marks and discolorations.

### **Macadamia Integrifolia Seed Oil**

Macadamia Integrifolia Seed Oil has skin conditioning properties as it contains predominantly unsaturated fatty acids including palmitoleic acid.

### **Citrus Medica Limonum (Lemon) Peel Oil**

Lemon Peel Oil restores the luster of dull skin and has astringent and detoxifying properties.

### **Prunus Amygdalus Dulcis (Sweet Almond) Oil**

Sweet Almond Oil restores a natural glow by balancing and conditioning the skin and restoring moisture loss.

### **Urtica Dioica (Nettle) Leaf Extract**

Nettle Leaf extract is rich in nutrients, acting as a skin soother with tonic, astringent and revitalising properties.

### **Citrus Paradisi (Grapefruit) Peel Oil**

Grapefruit Peel Oil has powerful moisturising and tightening effects.

## ZUII CERTIFIED ORGANIC INGREDIENTS

---

### **Citrus Aurantium Dulcis (Orange) Peel Oil**

Orange Peel Oil detoxifies the body and boosts the lymphatic system. It also assists with collagen formation and possesses antispasmodic, anti-inflammatory, sedative and antiseptic therapeutic properties.

### **Calendula Officinalis (Calendula) Oil**

Calendula Oil is extracted from the Calendula blossom. It calms and soothes stressed skin and reduces irritation and inflammation of the skin.

### **Crocus Sativus (Saffron) Flower Extract**

Saffron Flower Extract acts like a natural skin toner, helping to unclog pores and eliminate blackheads.

### **Phyllostachys Bambusoides (Bamboo Stem)**

Bamboo Stem is the richest source of natural silica. It helps to diminish the appearance of uneven skin tone and is rich in mineral salts.

### **Camellia Sinensis (Camellia) Leaf Extract – Green Tea**

Green Tea is 200 times stronger in antioxidant effect than Vitamin E. It helps to assist in the preservation of younger looking skin by fighting fine lines and wrinkles. It also soothes and calms sensitive skin.

## ZUII CERTIFIED ORGANIC INGREDIENTS

---

### **Cetraria Islandica Thallus Extract (Iceland Moss)**

Iceland Moss has softening and soothing properties and relieves dryness and irritation of the skin. It forms a soothing and moisturising film.

### **Polypodium Vulgare Rhizome Extract (Polypody)**

Polypody is a winter green Fern that provides a soothing and moisturising film on the skin.

### **Sphagnum Magellanicum Extract (Peat Moss)**

Peat Moss is one of the most important plants in the world due to its unique ability to absorb and retain water and moisture.

### **Cucumis Sativus (Cucumber) Fruit Extract**

Cucumber Fruit Extract has a high volume of minerals, potassium and sulfur, all known to soften and hydrate skin.

### **Theobroma Cacao (Cocoa) Seed Butter**

Cocoa Seed Butter is a plant oil derived from cocoa beans. It is a potent moisturiser and softener for the skin. The oil creates a protective barrier on skin, shielding it from the environment.

### **Juglans Nigra (Black Walnut) Leaf Extract**

Black Walnut Leaf Extract promotes healthy skin. It has antifungal properties, reduces inflammation and stimulates circulation.

## ZUII CERTIFIED ORGANIC INGREDIENTS

---

### **Butyrospermum Parkii (Shea) Butter**

Shea Butter has skin conditioning properties. It preserves the innate moisture of the skin.

### **Bulbine Frutescens Leaf Juice**

Bulbine Frutescens Leaf Juice is a South African medicinal plant with unique healing, soothing and moisturizing qualities. It protects dry and sensitive skin and helps increase skin hydration and elasticity.

### **Theobroma Cacao (Cacao)**

Cacao is high in antioxidants and is enriched with minerals and vitamins such as Vitamin C, Magnesium and Omega 6 fatty acids. It promotes and increases cellular healing to develop a youthful glow.

### **Dihydroxyacetone (DHA)**

DHA is a simple carbohydrate derived from plant sources such as sugar beets and sugar cane. It's produced through the fermentation of glycerin, which interacts with amino acids in skin cells to produce a brown colour.

### **Erythulose**

Erythulose is a carbohydrate extracted from red berries. It's used in conjunction with DHA in self tanning products to naturally colour the skin.
